

EDUCATION

GITAM Deemed to be University - Bengaluru Campus
Bachelor of Science: Computer Science
Jawahar Navodaya Vidyalaya, Annamayya (Kadapa)
Intermediate

Bangalore
August 2022-May 2026
Annamayya
June 2020-June 2022

SKILL SUMMARY

• **Skills:** Python, TensorFlow, SQL, Git, Keras, Machine Learning, Deep Learning, SQL, GitHub, ImageProcessing, Data Structures

WORK EXPERIENCE

Intern – AI in Agriculture **January 2025-May 2025**
Smart Agriculture Lab, MURTI Facility, GITAM University-Bengaluru **Bangalore**
• Worked on AI-Powered Hydroponics with focus on real-time plant growth prediction and health assessment in controlled environments.
• Applied machine learning techniques for monitoring plant conditions and optimizing resource utilization.

Intern – AI in Agriculture **May 2025-July 2025**
Smart Agriculture Lab, MURTI Facility, GITAM University – Bengaluru **Bangalore**
• Contributed to a project on Text Image Analysis for Crop Disease and Health Management.
• Implemented computer vision and OCR-based techniques to analyze agricultural text images for early disease detection and health tracking.

PROJECTS

Sentiment Analysis using Machine Learning | Link **July 2024-November 2024**
• Developed a sentiment classification system to predict polarity (positive, negative, neutral) using Python, NLP, and Scikit-learn.
• Implemented preprocessing pipeline with tokenization, stop word removal, and TF-IDF vectorization to improve text representation.
• Trained and evaluated a Logistic Regression model, achieving high accuracy.

Robust OCR for Skewed and Distorted Agro-Product Labels | Link **May 2025-September 2025**
• Designed a multilingual OCR pipeline integrating EAST (Text Detector) and TrOCR (Text Recognizer) for agro-product labels.
• Optimized recognition under skew, rotation, and low-light conditions, achieving an F1-score of 0.89 on a 3,500-image dataset across 6 Indian languages.
• Applied deep learning and image processing techniques .

PORTFOLIO

• LinkedIn: / veerapu-raju • GitHub: / veerapuraju • Leetcode: / VEERAPU_RAJU2003

CERTIFICATES

Internal Smart India Hackathon, GITAM University (2023) | Certificate
• Streamlined data collection and reporting procedures, reducing processing time by 20% enhancing efficiency.
• Implemented process improvements and automation solutions, resulting in 15% increase in productivity.

CODE-A-THON Participant, GITAM University (2024). | Certificate
• Streamlined data collection and reporting procedures, reducing processing time by 20% enhancing efficiency.
• Implemented process improvements and automation solutions, resulting in 15% increase in productivity.

ACMWinter School on Explainable AI, SRM University–AP (Dec 2024). | Certificate
• Streamlined data collection and reporting procedures, reducing processing time by 20% enhancing efficiency.
• Implemented process improvements and automation solutions, resulting in 15% increase in productivity.

Google Cloud Computing Foundations & Generative AI (2025). | Certificate
• Streamlined data collection and reporting procedures, reducing processing time by 20% enhancing efficiency.
• Implemented process improvements and automation solutions, resulting in 15% increase in productivity.
